Dear Friends:

I am writing to congratulate the members and staff of the Institute of Real Estate Management (IREM) on the occasion of the organization's 75th anniversary.

For many decades, IREM has helped promote excellence among real estate management professionals in Missouri and around the world. IREM has contributed to professionalism in the industry by enforcing and encouraging ethical business practices and utilizing a rigorous credentialing process. In addition to the positive role IREM has played in the real estate management community, IREM's more than 18,000 members have worked hard to improve the lives of those who live, work, and shop in the properties they manage.

I honor IREM's 75 years of service and am pleased to extend my best wishes for the organization's continued success.

Sincerely,

Claire McCaskill
United States Senator
