Dear Friends:

It is a pleasure for me to send heartiest congratulations to the members and staff of the Institute of Real Estate Management as you celebrate your 75th anniversary. What a wonderful milestone the Institute of Real Estate Management has reached, and I am sure each of you takes pride in the fact that back in 1933 the idea of encouraging a standard of merit among real estate management professionals became a reality through the inception of this organization.

For three-quarters of a century, IREM has played an important role in promoting excellence among real estate management professionals in Georgia and around the world through education, credentialing, and enforcing ethical business practices. In addition, IREM's more than 18,000 members have worked hard to improve the lives of those who live, work, and shop in the properties they manage.

I am proud to join the many others honoring IREM's 75 years of service and extend my best wishes for the organization's continuing success.

With warmest personal regards,

Sincerely,
