

2020 REME Awards FAQ

Overview

Real estate managers make a difference for their communities, clients, and companies every day, and IREM® believes these extraordinary contributions should be celebrated! The REME Awards recognize these exceptional companies and individuals as the best of the best in their profession.

Who's eligible?

Anyone applying for the CPM® or ARM® of the Year awards must hold the respective IREM certification to that award category. Only IREM AMO® firms can apply for AMO of the Year. The IREM Innovator Award is open to all corporate firms. For additional award details, visit our landing pages for each award:

How do I apply?

Visit the [2020 REME Awards Submission Site](#) and click on the button to apply. You'll then be prompted to create an account or log into your account if you have submitted for an award within the past two years. This account is separate from your IREM account. Once you create an account, you can save your form and return to it as you are working on your submission. Select from the drop-down menu which award you'd like to submit for. Fill out our simple one-question submission form along with your contact information and you're all set! After your submission is completed, you'll receive an email confirmation.

Can I nominate someone for an award?

Yes! Anyone (including chapter leaders and IAEs, members, or colleagues) can nominate an individual for CPM of the Year or ARM of the Year. Simply fill out the [nomination form](#) with your contact info, the person who you're nominating, what award you're nominating them for, and why. We'll send them an email with these details and have them fill out the submissions form—it's that easy! Once you submit a nomination, you'll also receive an email confirmation.

What if I want to submit for an award on behalf of someone?

You're welcome to fill out a full submission on behalf of someone you think deserves an award. We encourage you to let them know before you do so. Simply click on the "Submit for an award" link and fill out the full submission form. Once you complete the submission, you'll receive an email confirmation.

What's the deadline to apply?

All submissions must be completed by June 12, 2020.

What is the process for determining the finalists/winners?

All submissions are reviewed anonymously by the REME Awards Advisory Board via the submissions platform. Each submission is assigned a number to identify it by and is judged by criteria based on a rating scale related to each award category. Submissions receive an overall score once judging is completed. The top scores in each category are then provided and the finalists and winners are determined.

When will finalists/winners be announced?

Finalists will be contacted and announced in August 2020. Winners will be announced at the Inaugural Gala and REME Awards Celebration during the 2020 Global Summit in Toronto, ON, Canada on October 16.
