

Elaina's Sustainability Fund Grants

Supporting
sustainability efforts in
commercial real estate

Accepting grant applications now!

The IREM[®] Foundation is now accepting grant applications for Elaina's Sustainability Fund. Multiple recipients will be considered for requests ranging from \$500-\$5,000, awarding up to \$20,000 in grants.

This grant supports anyone looking to take steps to improve the environmental footprint of commercial real estate.

- Innovation of a new sustainability project
- Adoption of proven sustainability methods into your building
- Research studies that support adoption or innovation

Applications are open until April 22, 2022
