Congratulations! IREM will review your application and provide a decision. If approved, you can then begin using the AMO accreditation next to your firm name on professional profiles, email signatures, business cards and more.

Once approved as an AMO, you are required to maintain accreditation each year by paying annual AMO dues and having an Executive CPM. In addition, your firm must reaccredit every three years. This helps maintain the high standards that make your AMO so valuable.

- 1) Firms may be eligible despite an ownership change. Review details about this requirement in the AMO application
- 2) Fidelity bond subject to a minimum bond of \$10,000 and a maximum bond of \$500,000. Deductibles on both coverages are not to exceed \$5,000 or 5%, whichever is greater
- 3) Prorated dues are invoiced upon approval
