What is the process for determining the finalists/winners?

All submissions are reviewed anonymously by the Member Experience Advisory Council via the submissions platform. Each submission is assigned a number to identify it by and is judged by criteria based on a rating scale related to each award category. Submissions receive an overall score once judging is completed. The top scores in each category are then provided and the finalists and winners are determined.

When will finalists/winners be announced?

Finalists will be contacted and announced in August 2023. Winners will be announced during the 2023 Global Summit in Toronto, Ontario, Canada on October 10-13.
