

Volume Program Enrollment Form

Complete this form to enroll in the IREM® Certified Sustainable Property Volume Program.

Eligibility

In order to participate in the Volume Program, your company must have a sustainability program for your portfolio, intend to certify at least 10 properties, and do at least one of the following. Check all that apply:

- Publish a sustainability or corporate responsibility report largely in accordance with the Global Reporting Initiative (GRI)
- Participate in the GRESB assessment
- Participate in RobecosSAM's Corporate Sustainability Assessment, the basis for the Dow Jones Sustainability Index family
- Respond to the CDP

IREM will use this information to map your portfolio-level sustainability initiatives to certification requirements and prepare your Volume Program certification materials. IREM will keep this information in strict confidence; we will not share your proprietary information with third parties.

Application fee discounts

The following discounts are available for Volume Program applications. Applications submitted in subsequent years, up to three years from this enrollment, are subject to Volume Program application fee rates for those years.

IREM member

10+ applications: \$540/application
50+ applications: Contact IREM

Regular

10+ applications: \$900/application
50+ applications: Contact IREM
