Section I

INTRODUCTION TO SHOPPING CENTER MANAGEMENT	1
Chapter 1: Evolution and Change in the Shopping Center Industry	3
Historical Overview of Shopping Centers	4
Evolution of Shopping Centers and Other Retail Properties	6
How Shopping Centers and Malls Are Responding to Online Retailers	15
Importance of Shopping Centers in Their Communities	17
Professional Ethics and Standards of Behavior	18
Conclusion	21
Chapter 2: Creating a Business Plan for Shopping Centers	23
Guidelines for Preparing the Business Plan	24
Sections of the Business Plan	27
Range of Possible Solutions	41
Delegating Sections of the Business Plan	45
Setting Realistic Deadlines	47
Standard Guidelines for Writing the Business Plan	48
Conclusion	51
Chapter 3: Retailing Basics for Shopping Center Managers	53
Evaluating Retailing Skills of Prospective Tenants	54
Helping Tenants Succeed	56
Retailing Fundamentals	58
Conclusion	63
Chapter 4: The Retail Component in Mixed-Use Developments	65
Urban Mixed-Use Developments	66
Suburban Mixed-Use Developments	67
Developing Mixed-Used Developments	68
Advantages and Challenges of Mixed-Use Developments	69
Leasing the Retail Component in Mixed-Use Developments	71
Managing a Mixed-Use Development	74
Operations of Mixed-Use Developments	76
Managing the Retail Tenant Mix and Customer Base in Office Buildings	81
Conclusion	84

SHOPPING CENTER OPERATIONS	85
Chapter 5: Shopping Centers, Malls, and Retail Property Operations	87
The Owner's Goals and Objectives	87
Key Management Personnel	89
Management Staffing	93
The Operations Plan	95
The Operations Manual	98
Management Agreement	102
Lease Administration and Tenant Operations	104
Requesting and Analyzing Retail Sales	111
Auditing Retailers' Sales	115
Customer Services and Community Relations	117
Conducting Customer Surveys and Tenant Questionnaires	121
Acquiring or Terminating a Management Account	126
Conclusion	128
Chapter 6: Shopping Center Sustainability	129
Mandated Sustainability Programs	130
The Landlord-Tenant Relationship: Who Benefits and Who Pays?	131
Financial Analysis and Evaluation of Sustainable Programs	132
Shopping Centers with Multiple Sustainability Projects	134
Sustainability Certifications	138
Conclusion	141
Chapter 7: Developing an Efficient and Cost-Effective Maintenance Program	143
Technology and Maintenance Management	144
Developing Maintenance Management Programs	145
Contract Services Versus Employees	151
The Maintenance Agreement	154
Maintenance Responsibilities of the Tenant and Owner	162
Major Maintenance Requirements	164
Coordinating and Communicating with the Tenant	179
Maintenance Operations	180
Conclusion	188
Chapter 8: Managing, Mitigating, and Avoiding Risks	189
How to Manage Risks	189
Risks of Ownership, Operations, and Leasing	190
Types of Insurance Coverage	202
Conclusion	210

Chapter 9: Emergency Procedures, Safety, and Security	211
Developing an Emergency Procedures Manual	211
Emergency Response Teams	213
Responding to Specific Emergencies	216
Restoration After an Emergency	226
Public Relations After an Emergency	227
Safety and Security	229
Conclusion	233
Chapter 10: Developing Positive Relationships with Tenants	235
The Foundation of Good Tenant Relations	235
Maintaining Relations with Tenants	240
Positive Tenant Relations Programs	249
Working with Financially Troubled Tenants	253
Lease Renewal and Tenant Retention	255
Conclusion	256
Chapter 11: Shopping Center Math for Property Managers	257
Rents Per Square Foot	257
Calculating the Pro Rata Share	258
Calculating Common Area Maintenance	260
Real Estate Tax and Insurance Considerations	263
Sales Per Square Foot	263
Natural Breakpoint for Percentage Rent	264
Declining Percentage Rent Rate	266
Projecting Tenant Sales When Preparing the Next Year's Budget	268
Consumer Price Index Calculations	269
Allowable Building Area	272
Parking Ratios	272
Effective Rent	273
Rental or Expense Proration	273
Calculating Reserves for Replacements	274
Conclusion	275
Chapter 12: Creating an Accurate Shopping Center Budget	277
Types of Budgets	277
Budgeting Basics	280
Items to Consider for Developing the Operating Budget	287
Analyzing the Expenses	292
Developing Income Projections	308
Reviewing and Revising the Budget	315
Additional Budget Schedules	317
Conclusion	319

Section III

MARKETING FOR SHOPPING CENTERS	321
--------------------------------------	-----

Chapter 13: Identifying and Evaluating a Shopping

Center Market Position	323
Understanding the Trade Area and Customer Base	324
Conducting Market Research	326
Analyzing the Shopping Center	331
Creating the Optimum Tenant Mix	338
Conclusion	341

Chapter 14: Determining Rental Rates Based on the Market Survey 343 |

Market Rental Rates, Concessions, and Terms	343
Conducting the Market Survey	347
Analyzing the Market Survey Information	351
Rental Rate Analysis	354
Recommendations to the Client	356
Conclusion	357

Chapter 15: Marketing, Advertising, and Promoting Shopping Centers 359 |

The Evolution of Shopping Center Marketing	359
Creating the Marketing Plan	361
Mission Statement of the Marketing Program	363
Annual Marketing Budget	364
Market Research Data	367
Primary Marketing Expenses	367
Types of Advertising	368
Types of Promotional Events	375
Marketing Preparation for the Grand Opening	376
Conclusion	378

Section IV

SHOPPING CENTER LEASING	379
-------------------------------	-----

Chapter 16: Assembling the Best Leasing Team 381 |

The Leasing Team Members	382
Determining Commission Splits	393
Conclusion	394

Chapter 17: Gathering the Data and Preparing to Lease 397 |

Lease Listing Agreements	397
--------------------------------	-----

Evaluating and Determining the Size of Spaces	399
Developing the Marketing and Leasing Package	400
Additional Lease Exhibits	407
Conclusion	408
Chapter 18: Prospecting for Tenants and Leasing the Shopping Center	409
The Timeline to Complete a Lease Transaction	411
Prospecting for Tenants	414
Evaluating and Qualifying Prospects	419
Conducting the Breakeven Analysis	421
The Letter of Intent	425
Conclusion	429
Chapter 19: Negotiating the Terms of the Shopping Center Lease	431
The Lease Form	431
Lease Provisions	433
Conclusion	480
Chapter 20: Lease Administration and Record Keeping	481
Accounting and Record Keeping	482
Reports to the Owner	491
Lease Administration	498
Conclusion	508
Chapter 21: Lease Renewals	509
Getting Started	510
Developing a Lease-Renewal Plan	510
The Cost of Not Renewing a Lease	516
Renewal Negotiations	518
Lease Renewal Terms	519
Documenting the Lease Renewal	520
Options to Renew	521
Tenant Retention	522
Conclusion	523
Chapter 22: Unique Leasing Opportunities for Shopping Centers and Malls	525
Leasing a Shopping Center with No Vacancies	525
A State-of-the-Art Lease	527
Staying Current with Market Rental Rates	527
Non-Credit vs. Credit Tenants	528
Pop-Up and Specialty Leasing Programs	530

Negotiating the Pad Site Deal	534
Creating a Pad Site and Building	535
Managing a Tenant Buyout	538
Relocating Tenants	540
Conclusion	541

Section V

DEVELOPING SHOPPING CENTERS	543
-----------------------------------	-----

Chapter 23: The Risks and Rewards of Developing Shopping Centers	545
The Development Feasibility Study	546
Sources of Revenue	558
Assembling the Development Team	561
Conclusion	567

Chapter 24: Redeveloping and Repositioning Shopping Centers	569
The Benefits of Redeveloping Shopping Centers and Retail Properties	570
Analysis of a Redevelopment Opportunity	572
Market Survey	576
Analysis of Alternatives	577
Design Considerations	578
Equity and Financing	580
The Redevelopment Team	581
Working with Tenants in Place During Redevelopment	582
Developing a Marketing and Leasing Plan	586
Management and Operations During Redevelopment	588
Creating Community Awareness of the Redevelopment	591
Conclusion	592

Appendix A: Lease Listing Agreement Issues and Provisions	595
--	-----

Appendix B: Form for Qualifying Potential Tenants	601
--	-----

Glossary	609
-----------------------	-----

Index	633
